Drysdale's

Hello, my name is **Hannah** and I am 17 years of age. I currently attend Southend High School for Boys where I am studying for my A levels. I am taking Maths, English Language and Literature, Art, History and General Studies. After sixth form I want to go to university and **study to become a teacher**, specialising in either art or history. I play the **clarinet in the school concert band**, and do cross country. Outside of school I love running, and am a member of **Southend-on-Sea Athletics Club**. I have been a member of the running club for 7 years and was elected the club's Schools Secretary in February. I joined **Southend Youth Council** in 2008 where together we **provide a voice for the youth of Southend**. I attend monthly meetings where we resolve issues which relate to young people in Southend.

I am **so excited** about representing Southend as **Southend Carnival Queen 2009/2010**, and I am really looking forward to visiting other towns Carnivals. I think the best part about Carnival is that it **brings everyone together to raise money for many charities**. The new friendships we make this year will stay with us for the rest of our lives, and I cannot wait to meet the other courts. I hope to be a good role model to my princesses, and having been in their position before, I really want to make sure we share a great year.
