## have you got the x-factor...

...to be part of the 2010 court?

**Southend Carnival Court 2008** had a great year meeting other Courts and people involved in carnival and from across Southend and South East England.

**Thousands of people watched** Southend Carnival pass along Southend seafront last year. This is just one of the exciting events the Court attended in 2008/09.

Former Queen Rachael said "Our reign was an **amazing experience** and I **would love to do it all again**". Former Princess Elyse continued, "I felt extremely lucky and very proud to have the opportunity to represent Southend on Sea at various events".

The Court attended engagements throughout their reign which ended in April 09. Former

Princess Dani said "unfortunately, I had to give back my tiara as Southend Carnival Princess in April. I would recommend the position to anyone as it is a **huge opportunity** and I have had a **brilliant year**, meeting new people and **representing Southend at various events**".

If you are interested in applying to become part of the Southend Carnival Court, please complete the **application form**.
